## > Greekalicious first birthday The Intuitive Well Centre, Bondi Junction

**hit** Sydney's first and only exclusively Greek cooking school celebrated its first birthday with appropriate style at a new venue. Founder and host Maria Bernardis spoiled her guests with a fine selection of tasty Greek treats.

**miss** Unfortunately, there are too many people who have sworn off Greek cuisine after suffering the ill-effects of dodgy dolmades or souvlaki with salmonella on the side served in tourist traps such as the island of Ios. What a shame. They don't know what they're missing. **RB**

## > 2008 Bondi Openair Festival VIP launch Bondi Pavilion, Bondi Beach

**hit** Cinephiles barely had time to see daylight between the closing of Flickerfest on Sunday and the launch of the Bondi Openair Festival on Thursday. Guests at the opening night were treated to drinks, snacks and the sight of a young Dennis Hopper and Peter Fonda astride their choppers in *Easy Rider*.

**miss** Perhaps the weather was better suited to a screening of *The Four Seasons*. **W**
